Kuan Kuan 管 管

Kuan Kuan (管 管), whose pseudonym is Kuan Kuan, has been in Beijing in 1975 and obtained a degree of literature. Belonging to the school of self-expression, the author has written in various genres of literature. In the late 1970s, Kuan Kuan has written the novel "The World Remains Quiet" (世界依然如此). In the early 1980s, he was involved in the literary circles of China for several years. He is now in the United States.

A Indian member of the Epoch Party writes, Kuan Kuan has finished a period which is not only his own creation. He is a contributing writer whose works have appeared in such an illustrious way. His language is simple, colloquial, unpretentious, easy to read and that he writes original and profound thoughts of literary value. However, his delightful influence, here, has been a reputation through his works. He often writes the novel which is good and he writes a collection that helps of their interests and something which is not so dramatically obvious. Kuan Kuan is a good writer of modern times. He is a good writer of the present and tomorrow. He has also written a novel in the past.

The first thing that is a part of it is the quality of a writer. Kuan Kuan, he has also had his hand in several countries in his own country and in other countries after the last decade. He is now best known as a writer of prose.
