CHIAO TUNG UNIVERSITY ALUMNI FOUNDATION OF AMERICA, INC.

Dear Alumnus:

The election held in last May also signaled a change of command for the Alumni Association. Dr. An Wang has stepped down from the presidentship after serving two terms since April 1977, during which he actively guided the association with inspiring leadership as well as generous financial support. On behalf of all alumni in America we would like to formally acknowledge his contribution with our sincere appreciation. We are fortunate to announce that Dr. Wang has accepted our invitation to be an honorary trustee, along with all former association presidents and will be available for consultation on the association affairs.

Now as the now administration for the association we believe and would like also to remind you that to achieve further success of your association and your foundation will need active participation and support from all of you. It is our hope that you will continue or start to do so.

In the fiscal year ended March 31, 1981, your foundation received cash contributions totaling \$11,900 and interest or

dividend income totaling \$10,850 and also awarded various grants totaling \$16,100. A detailed financial report has been submitted to 交大友聲 for publication, including also a list of donors of contributions received thru July 10, 1981.

For the coming year We have evaluated several programs which could qualify to be the primary and alternative objectives for our next fund drive; they are:

1. Dr. H. H. Ling memorial scholarships. We intend to support such a scholarship campaign which is being planned by the CTUAA in Taiwan as a meaningful memorial to our beloved president, who died of illness in August this year.
2. (從略)
3. PRC Lecture Scholarship. The foundation will continue to collect contributions and to offer grants but intends to tighten the requirement in the minimum time devoted to the actual lecturing for better cost-effective justification.
4. Taiwan Education Fund. A new special purpose fund has been set-up for collecting contributions which will be restricted to grants for the benefit of CTU in Hsinchu or other scholarships in Taiwan.

ASSOCIATION OF AMERICA

Dear Alumni:

We have just received the first few sample copies of the proceeding of our fourth reunion from our printer in Hong kong. They are very well done. We shall receive the rest of them within the next month and shall start to send them to you immediately. Dr. An Wang, our former president has generously advanced the production cost of which only about half were met with the receipts from the sales of the advertisement.

In view of the fact that our alumni association does not have any operating funds for basic expenses such as postages, etc., The executive committee voted to collect a membership due of \$3.00 from each of our members.

To order your copy of the proceeding, please send a check of \$10.00 for the first copy including membership due. Additional copies are at \$7.00 each. For those alumni who attended the reunion last year, your first copy will be send free of charge, please send a check of \$3.00 for the membership due. Make your check to "CTUAAA". The address is:

C/O Peter Teng 24, Dudley Rd. Billerica, Mass. 01821
We have a total of 650 copies available at this time. Your orders will be processed on first come first serve basis.

Additional contributions toward Alumni Association operating fund are welcome and appreciated.

 FOUNDATION OF AMERICA, INC.
 44 Jennie Dugan Road, Concord, Mass. 01742

In addition to those programs, we hope also to receive additional contributions to replenish the general fund, which use is not restricted to any special program and which serves as a ready fund available for distribution as recommended by the executive committee.

The fact that the foundation is an IRS recognized exempt corporation means your contributions thru the foundation will be tax deductible, and in the 50% tax bracket your contribution actually would cost you only half of the amount received by the foundation. You could save even more by donating common stocks with substantial appreciation. The amount of contribution will be the fair market value as of the date of stock transfer. As only little more than two months are left in 1981, we again urge you to consider making contribution now to the foundation which under the newly enacted Economy Recovery Tax Act of 1981 could yield more tax benefit than the same contribution delayed to 1982. You may designate your contribution for any or each of the above special programs. Or you may leave it undesignated which will go into the general fund. Make sure the check is made out to "Chiao Tung University

Alumni Foundation of America, Inc." and send to "C/O Mr. M. P. Hsu, 44 Jennie Dugan Rd., Concord, Mass. 01742". If you want to make a donation in stocks, Please write or call M. P. Hsu (617-5369 6158 weekday evenings and weekend) for more information.

Please let us hear from you soon.
