

倚欄

• 沈洪燾

閑來獨倚欄，
倚欄並不悶，
欲知倚欄苦，
惟有獨倚欄。

時津風

• 電工78級／田銘莒

飯填晚間屋頂常散步，
燈映叢集樹葉響馬路，
汗流溫潤沁涼深淺洄，
超值享受舒靈疑造物。

Wind in the times

After dinner, I usually walk on the roof.

The roadlamps lighten the trees whose leaves are rocking and rolling.

Perspiration leads a cooling loop warmly and deeply.

It is such a moment and my spirit asks why the Creations run.
