## Snapshots

Anna Elisabeth Anitha Petersson

Taiwan in general: Nice weather but very hot this time of the year. Great food. Very kind and helpful people. Good public transport except for in Hsinchu City where I find it hard to get around. Exciting culture and history.

NYCU: Beautiful campus (Guangfu) with lots of greenery, nice people. Teachers are great and enthusiastic about their subjects. My Chinese has also improved a lot in a short time thanks to great Chinese courses. :) The welcome activities have been fun, although I would have wished there were some more of that.
