THE World University Rankings 2024

NYCU is ranked 403rd,
the 3rd highest-ranked university in Taiwan

On September 27, Times Higher Education (THE) released its latest 2024 World University Rankings. This year, a total of 1,904 universities from 108 countries and regions were included in the ranking, which is an increase of 105 universities compared to the previous year. In Taiwan, 45 universities made it to the list. The top-ranked university in Taiwan is National Taiwan University, which is placed at 152nd globally and holds the first position domestically. China Medical University is the second-highest ranked in Taiwan, at 316th globally. NYCU is ranked third in Taiwan and is ranked 403rd worldwide. National Tsing Hua University and Taipei Medical University share the fourth position nationally and are ranked 404th globally. Other universities in Taiwan included in the ranking, in order, are National Taiwan University of Science and Technology (441st globally), Asia University (473rd globally), National Cheng Kung University (564th globally), National Taiwan Normal University (581st globally), and National Yunlin University of Science and Technology (587th globally).

Rankings of NYCU (THE World University Rankings)
