

[English Teaching Program] December 4, 2023 @ Fuli Junior High School (富禮國中)

Today, we had the pleasure of guiding six international students to Fuli Junior High School in Xiangshan, Hsinchu, for the English teaching project titled 'Bring the World into the Classroom.'

This marks our second collaboration this semester, fostering connections between our international students and local junior high school pupils. 🌍

Our exchange students from Sweden, France, Italy, and Switzerland actively engaged in teaching basic English and sharing insights about their countries, cultures, and cities! 🇸🇪 🇫🇷 🇮🇹 🇨🇭

It's a joy to reunite with the students, and we extend our heartfelt thanks to all participants!
