

Thank you for supporting NYCU!

Our outstanding international students told us about their stories at NYCU. Feel free to email us your story! There are also campus report, essay sharing, and spotlights to show what NYCU has contributed to the society. At last, feel free to update your information!

Snapshots

Hi, I'm
Abdelrahman Mohamed Fathy Mohamed

I work as a Research Assistant in Prof. Yuan-Chieh Tseng's lab, focusing on Magnetoresistive random-access memory (MRAM). NYCU sponsored my attendance at the EINDHOVEN TAIWAN SUMMER SCHOOL in the Netherlands.

NYCU provides excellent living conditions. As a Muslim, I kindly request halal food at reasonable prices. Interacting with foreign students is a wonderful experience. I appreciate efforts to understand and address their concerns.

Master, International College of Semiconductor Technology
Egyptian
