“[Activity with HGSH] 🌟 March 25, 2024

Our international students had an incredible time at HGSH, a local female high school! 🏡 They joined a cultural tour guided by the high school students, exploring the vibrant streets, East Gate, Hsinchu City God Temple, and ending with a delightful “meatball” DIY activity at a local store. 🍲

This was a first-time experience for all the students, making pork balls and enjoying the delicious soup. 🍴 🍲 🍷

We had so much fun and can't wait to collaborate again in the future! 🥰
