Thank you!

AI @ NYCU Workshop Team

The Department of Electronics and Electrical Engineering and Institute of Electronics at NYCU are pleased to announce a 3-week workshop to explore AI @ NYCU, sponsored by the exploreCSR grant from Google.

Participants will engage in lectures, mentorship sessions, and complete a small research project. This workshop aims to promote diversity and encourage participation in computing, particularly in artificial intelligence research.

This workshop is targeted towards minority groups in Taiwan, specifically students in their 3rd or 4th year of college. We welcome students pursuing bachelor's degrees in mathematics, electrical and computer engineering (ECE), and computer science, with proficiency in English and adequate programming skills.

Female students, as well as students from Southeast Asia, the Middle East, and Africa, are strongly encouraged to apply.

Event Dates (updated):
May 7th (Tuesday next week), May 9th, 21st and 23th + one week after for project work.
Venue: Engineering Building 4, Guangfu Campus, NYCU (room number to be announced to selected participants)

Participation is FREE, but space is limited to a maximum of 30 participants.

To register, please visit: https://explorecsr.ece.nycu.edu.tw/apply-here (required to upload undergraduate transcript)

Registration is extended until 11:59pm on May 4th.
Acceptance results will be announced before 11:59pm on May 5th.

For any questions relating to the program or the submission of the documents, please, contact: dmytro.ivakhnenkov@gmail.com
