

Thank you for supporting NYCU!

Our outstanding international students told us about their stories at NYCU. Feel free to email us your story! There are also campus report, essay sharing, and spotlights to show what NYCU has contributed to the society. At last, feel free to update your information!

Snapshots

Master, Dept. of traditional medicine

**Runcheng Ruan**

I am from Fuzhou, Fujian Province, China, and have been here for six years, including four years of college in Taipei. During my master's at NYCU, I researched Ganoderma lucidum polysaccharides in immunity and cancer. My campus life was fulfilling, and I wish everyone success in the future.
