🌍 A Day of Culture, History, and New Friendships! 🌍

Our Hsinchu Old Town Guided Tour & Cultural Experience was a fantastic journey, bringing NYCU international students and HGSH students together to explore history, culture, and local traditions.

We walked through the historic streets near the Hsinchu City God Temple, where HGSH students shared fascinating stories about the city's past. 🍷📖 Along the way, we discovered hidden gems, admired historical architecture, and deepened our appreciation for Hsinchu.

And, of course, no cultural experience is complete without food! 😊 We enjoyed a cup of Oriental Beauty tea at OR Craft Life 🍵 and savored Traditional Hsinchu snacks at OR House! 🍝 The perfect way to experience local flavors while making new friends.

A huge thank you to everyone who joined! Your enthusiasm and curiosity made this event truly special. Let's keep the cultural exchange going! ✨
