[Cultural Event] April 18th, 2025

✨ We had an amazing time collaborating with Zhubei Senior High School for a special cultural exchange and rice noodle DIY experience at Old Pot Farm!

From learning about traditional rice noodle making 🍲 to getting our hands messy with the process 🙌 — every moment was filled with laughter 😂 and cultural discovery 🌍.

This unforgettable day brought us closer together and reminded us of the joy in learning through doing! 📖.

Thank you to everyone who made this event such a success 🙏. We can't wait for more meaningful moments like this!
