Our international students' dragon boat team "NYCU Dragon Riders" 🐉 had an amazing time participating in this year's dragon boat race held by Hsinchu City Hall at Nanliao Fishing Port! 🏆🌊

A big thank you to everyone who came out to cheer us on — your support meant the world to us! 😊

It was a truly unforgettable experience, and we can't wait to paddle again next year.

See you in 2026! ❤️
