TU/e Student Group Visit to NYCU! -July 16,2025

What an amazing day! 🎉 ✨ We had the pleasure of welcoming TU/e students to NYCU for a fun and inspiring visit! 🇳🇱 ✈️

We explored the TSMC Innovation Museum 🏢, got creative at the Virtual Studio Workshop 🎮, immersed ourselves in the VR Workshop 🌐, and tried our hands at the 3D Printing Workshop 🖨️.

To top it all off, we toured the NYCU Nano Facility Center (NFC) 🔬 ⚙️ — such an eye-opening experience!

Huge thanks to everyone who made this visit a success. We're so happy everything went smoothly and can't wait for more exchanges in the future! 🙌💡🌍
