[Recruitment Event] October 1, 2025

What an inspiring day at NYCU! 🌟 The Taiwan Semiconductor Talents Recruitment Event gathered overseas Chinese and international students eager to explore opportunities in the fast-growing semiconductor industry. 📡

From insightful career talks to exclusive interviews and resume consultations, participants gained not only practical guidance but also valuable connections with industry experts and HR representatives.

👏 Thank you to all the enthusiastic students who joined us—you've taken an important step toward shaping your future in semiconductors! And a special thanks to the participating companies for sharing opportunities and supporting global talent. 🌍🌟

We're excited to keep supporting your journey and look forward to seeing you at our upcoming events!@cbtalent_official
