昆明湖水操学堂

建于光绪十二年(1886年),是清廷培养满族海军人才的专门学校,同时也是慈禧太后借以提取海军经费重修颐和园的幌子。由南北各五进院落组成,分内、外水操学堂,学生分别学习天文、测算、驾驶及布阵、施放枪炮等技艺。学堂学生曾多次为慈禧在昆明湖中进行过水操合演,并承担以汽轮拖带慈禧太后御船游湖的使命。学堂于1895年中日甲午战争失败后被裁撤,其后用途几经变更。现遗存外学堂大部分建筑和部分内学堂建筑。

Navy Academy at the Kunming Lake

Built in 1886 (12th year of Emperor Guangxu's reign), it was a special school to train naval officers for the Qing armed forces. It was also utilized as a front behind which Empress Dowager Cixi diverted naval funds to rebuild the Summer Palace. The academy, divided into the Inner Academy and the Outer Academy, is composed of two housing complexes, each having five rows of houses. The students learned astronomy, measuring and calculation, driving, forces deployment and gunnery. The students put on numerous naval maneuvers for the Empress Dowager on the Kunming Lake and shouldered the duty of tugging her Imperial Pleasure Boat with a steamboat for pleasure rounds on the lake. The Navy Academy was shut down after the failure of the Chinese navy in a confrontation with the Japanese navy in 1895 and this site was later put to various uses. The remains are most of the Outer Academy and part of the Inner Academy.
