

高溫下環氧樹脂塗佈鋼筋之
握裹強度

The bonding capability of epoxy-coated
reinforcement at elevated temperatures

研究生:王煦歲

Student : Hsu-Wei Wang

指導教授:鄭復平 博士

Adviser : Dr. Fu-Ping Cheng

國立交通大學

土木工程學系

碩士論文

A Thesis

Submitted to Department of Engineering

College of Engineering

National Chiao Tung University

In Partial Fulfillment of Requirements

For the Degree of

Master of Science

In

Civil Engineering

July 2005

Hsinchu, Taiwan, Republic of China
