透明導電 ZnO-SnO₂ 薄膜的成長及物理特性

Fabrication and physical properties of
transparent conducting ZnO-SnO₂ films

The seal of National Tsing Hua University is centered behind the English title. It is a circular emblem with a blue border containing the university's name in Chinese and English. The center features a stylized blue and white design, possibly representing a book or a torch, with the year '1896' at the bottom.
