🌿 [Conversation Circle] Cultural Trip to Sanyi, Miaoli 🇹🇼

On May 8, our international students joined a wonderful cultural trip to Sanyi, Miaoli! ✨

The day began with a traditional Hakka Lei Cha DIY experience at Shihliufen Cultural Tea House 🍵 Students learned how to grind tea leaves, nuts, and grains together while experiencing Taiwan's unique Hakka culture.

After lunch and free time near the historic Shengxing Railway Station 🚉, everyone enjoyed the famous Old Mountain Line Rail Bike activity through the beautiful mountain scenery of Miaoli 🌿🌤️

Thank you to all the students who joined us and made the trip full of laughter, cultural exchange, and unforgettable memories ❤️

✅ Don't forget — May 26 is our Conversation Circle Farewell event of the semester! We warmly welcome everyone to join us 🎉
