

Thank you for supporting NYCU!

Our outstanding international students told us about their stories at NYCU. Feel free to email us your story! There are also campus report, essay sharing, and spotlights to show what NYCU has contributed to the society. At last, feel free to update your information!

Snapshots

Felix Julian Terwel

Exchange student from University of Twente

During my Biomedical Engineering studies, my university offered me the chance to study abroad, focusing on Computer Science. This experience helped me explore my interest in Machine Learning, which I hope to pursue further. I'm grateful for the opportunity to experience a different culture and will always remember NYCU's beautiful campus, especially its tree-lined avenues glowing softly at night.

Bachelor, Department of Computer Science
