Snapshots

SONYA BENKORTEBY

I am truly grateful for the opportunity to study at NYCU as an undergraduate exchange student with a one-semester scholarship. Living in Taiwan helped me step out of my comfort zone, connect with people from diverse cultures, and grow both personally and academically.

Through events organized by the Office of International Affairs, I met inspiring students and participated in activities that broadened my perspective. I encourage anyone with the chance to experience Taiwan and discover what student life here is like.
